CASE SUPPLEMENTAL ACTIVITY REPORT
NIAGARA COUNTY SHERIFF'S OFFICE

02-28-22 I was assigned a case regarding allegations of sex abuse made by **KATELYNN GANNON** of Ridge Road in Lewiston. The incidents reportedly occurred at her residence in Lewiston and in the City of Lockport. Lockport Police Det. **TRICIA VOSBURGH** was also involved in the investigation. On 01-06-22, Det. Vosburgh took a written deposition from Ms. Gannon. That statement is included in this case file. One of the incidents occurred when she left her job at Elderwood in Lockport, a male she knows as [REDACTED] took her in her vehicle and drove around with her, ultimately sexually abusing her. Ms. Gannon alleged that [REDACTED] has also showed up at her residence.

Det. Vosburgh had photographs of [REDACTED] that Ms. Gannon positively identified as being the man who assaulted her. Ms. Gannon also had Ring doorbell camera footage from her residence at [REDACTED] of the man she identified as [REDACTED]. Inv. **JUSTIN BIRMINGHAM** and Det. Vosburgh responded to [REDACTED] residence to try to speak with him. He was not home. Det. Vosburgh made contact with him via phone and he advised her that he was in Miami but could meet with them on 03-01-22 at the [REDACTED] Fire Department.

03-01-22 Inv. Birmingham and Det. Vosburgh met with [REDACTED] at the [REDACTED] Fire Department. He advised them that he did not know who Ms. Gannon was and he did not recognize her picture. He also did not recall being at any house on Ridge Road. They showed him the Ring footage and he advised them that it was not him. Inv. Birmingham noted that [REDACTED] is [REDACTED] and is bigger than the person in the footage. [REDACTED] also stated that during the dates in question reported by Ms. Gannon (October 22, 2021, October 26, 2021 and October 29, 2021) he was on a cruise. He showed them the calendar on his phone to prove this.

Ms. Gannon has made similar allegations in the past (not against [REDACTED]) that were shown to be unfounded by the FBI and WNY Human Trafficking Task Force. I spoke with Det. Vosburgh and she advised that she would be closing her case soon. This case is closed.

CASE REPORT #: CA-01753-21

01/06/2022 16:44 -- VOSBURGH, TRICIA (07525) --

I, THE UNDERSIGNED, KAITLYNN A. GANNON, RESIDING AT [REDACTED] LOCATED IN LEWISTON NEW YORK, BEING THIRTY FOUR YEARS OF AGE, BORN IN NEW YORK ON, [REDACTED] DO HEREBY MAKE THE FOLLOWING STATEMENT TO DETECTIVE TRICIA VOSBURGH, SHE HAVING FIRST IDENTIFIED HERSELF AS A POLICE OFFICER, KNOWING THAT I AM MAKING THIS STATEMENT OF MY OWN FREE WILL, DEPOSE AND STATE:

On Friday October 29, 2021 I walked out of my work on my lunch break and as I walked up to my car, I saw a man sitting in the driver's seat. I froze. My car was locked so I don't know how he got into my car. I'm not sure how I got into the car, those details are fuzzy. I do know I got into the car because I didn't think I had a choice, I've never had a choice before and I thought that if I didn't do it now it always gets worse later. The man sitting in the driver seat who I don't know his name, it thin and not quite as tall as [REDACTED], he is taller than me but shorter than [REDACTED]. He has lighter hair but not blonde and is balding in the front. He always wears a black carhartt kind of jacket, jeans, and work boots. He does not have any glasses or facial hair but he does have mangy teeth. His nails are always dirty around the outside like greasy. I don't think he wears any rings. This is the guy who has been showing up inside my work recently and he has shown up at my house before. The man driving my car started driving and just drove around, he never stopped. I don't know where he was and I couldn't see out of the window.

I remember being in the back of my own car. I was laying on the floor in the back of my van with another man whom I did not know his name at the time but now know him to be [REDACTED]. [REDACTED] is taller than me and I am five feet seven inches so [REDACTED] is maybe six feet tall. He has short regular brown hair. [REDACTED] has a mustache and wears ugly glasses. He is big with a beer belly kind of thing. He usually wears jeans and some kind of button down work kind of shirt almost like a utility type of shirt. He usually is wearing work boots, maybe dark brown in color. He was talking but what his words are I'm not sure. I can hear him but I don't know what he's saying. He took my pants and underwear off and pushed my knees apart and knelt between them. It was so tight and he kept kneeling on my skin and falling onto me when the car jerked. He slid his hands across my hair and pulled it when that happened but I didn't yell because I know he'll get madder. He took a tool out of his bag and he kept saying the word "slut" and he was mad. I felt [REDACTED] put his hands inside of me and I felt him open his hand inside me, and then he shoved the object inside my vagina. I don't know what it was but it was cold and hard. He pushed it in over and over and over. He unzipped his pants and he was getting off as he kept pushing the object inside of me. I closed my eyes and [REDACTED] told me not to fucking do that. I don't know what happened next or how I got back into work. I think I

HARMON000002

fG

blocked it out, that part is blank in my brain. I remember being in the bathroom at work and bleeding and panicking because my clothes weren't right from what happened in my van.

Before [REDACTED] left me, he did insert another object into my vagina and he did leave it in my vagina. It happened in the back of my van, I don't know what the object is but he had stuff in his coat pockets. It brought me to the hospital because something was stuck and I couldn't get it out and it hurt. I have a hard time bringing forward anything he said. [REDACTED] said things but I haven't been able to bring that information forward. I know he inserted something and left it in my vagina in preparation for someone who paid for the right to take it out and do whatever with it. Sometimes it's what they want to hurt me with and sometimes it's so they can "fix" it but that's bad too. I'm not supposed to take the objects out and they have hurt me in the past when I took whatever out before the payer had a chance to do whatever to me.

[REDACTED] has been showing up at my work lately and my house as well. The last time [REDACTED] showed up at my house was Wednesday January 5, 2022 and he was outside of my backdoor when I was pulling out of my driveway around 9:15 in the morning.

For years now I've been hurt and sexually assaulted and I think it all goes back to my dad. I believe these men from over the years have been sent to me by my father and I've always been expected to do sexual things with them. I have been hurt for so long and I never feel safe. I'm scared all the time and am afraid to go anywhere. These men show up at my house, at my work and other places that I go. I want this to stop. I want these men to stop hurting me, I want to feel safe again. This has been happening my whole life and I just want it to stop. X (initials)

I AM AT LOCKPORT POLICE DEPARTMENT WHERE I AM GIVING THIS STATEMENT TO DET TRICIA K VOSBURGH WHO IS TYPING IT FOR ME, AND I HAVE READ IT AND IT IS THE TRUTH.

FALSE STATEMENTS MADE HEREIN ARE PUNISHABLE AS A CLASS A MISDEMEANOR PURSUANT TO SECTION 210.45 OF THE PENAL LAW OF THE STATE OF NEW YORK.

The Truth about "The Ugly Truth" Podcast

HI! Long time no chat. Things have been relatively quiet locally as Kait has put all her energy into Mezzo which is good because she hasn't named new names and I think the community has somewhat lost interest and/or recognizes that she's not being truthful since shes had a year to substantiate her claims. Many people who initially left cornerstone due to these claims are now back. BUT I wanted to reach out and update you. I spoke with Investigator Gaydos from Niagara County who gave context to the police report you FOIL'ed he said there is supporting documentation that shows they called [REDACTED]

[REDACTED] who wasn't even in town on the date of the alleged incident. He said this should be available to FOIL. Also he said he worked with the FBI on this case and the FBI found her claims to be untrue so yet another confirmation of that. He also said kait has made a similar false report in Lockport where she claimed assault and the person she named could easily proof they weren't anywhere in the vicinity at the time

The Truth about "The Ugly Truth" Podcast

Ah, no never made contact. He was out of the office for a week when you first sent it to me and then I talked to someone who knew him and they confirmed that the report was bullcrap but said the investigator wouldn't be able to provide more insight than that.

Dear Ms. Miller,

I am writing to express concern about the MA DCF inviting Mezzo Allies to do trainings on family-controlled sex trafficking.

The founder of Mezzo Allies, Kait Gannon, has had her claims of trafficking, stalking, and sexual assault investigated by several police agencies, and all of them found her claims baseless. I have attached some documents that have been made publicly available by the New York State Freedom of Information Law. They show that Kait Gannon's sex trafficking allegations were investigated in 2020 by the FBI and the WNY Human Trafficking Task Force and found to be unfounded. Gannon also made sexual assault allegations to the Lockport Police Department and the Niagara County Sheriff's Department in 2021. The police found that the person she accused was out of town on the dates of the alleged incidents.

The evidence in this case indicates that Kait Gannon is not a victim of trafficking and is actually a serial false accuser. She and her former therapist, Laurie Krull, should not be positioned as anti-trafficking leaders and given access to a vulnerable population when they do not actually have the expertise they claim to have.

Sincerely,

T.C.

Dear Ms. Farias,

I am writing to express concern about the CAC of Bristol County inviting Mezzo Allies to do CSEC trainings.

The founder of Mezzo Allies, Kait Gannon, has had her claims of trafficking, stalking, and sexual assault investigated by several police agencies, including the FBI, Niagara County Sheriff's Office, City of Lockport, and the Western New York Human Trafficking Task Force. All of them found her claims baseless. I have attached some documents that were made publicly available by the New York State Freedom of Information Law. As stated in the documents, Gannon made a sexual assault allegation in 2022, and the police found that the person she accused was on a cruise on the dates of the alleged incidents. The FBI investigated Gannon's familial trafficking claims in 2020 and placed cameras around her home, as she was alleging ongoing threats, but found her claims unfounded.

Family-based CSEC is an extremely serious issue that deserves further research and attention. But this advocacy should be done by individuals that have real experience and understanding of the issue. The evidence in this case indicates that Kait Gannon is not a victim of trafficking, but instead a serial false accuser. She and her former therapist should not be positioned as anti-trafficking leaders and given access to a vulnerable population when they do not actually have the expertise they claim to have.

Sincerely,

T.C.
